

Field Force Brand Guidelines

Field Force is a high-impact AI-powered platform for field sales teams. These guidelines define the core brand identity to ensure consistency across all applications, especially in digital interfaces and CRM tools.

Logo Usage

- Logo contains a lightning bolt 'F' icon in Electric Blue (#0066ff).
- Text is 'FIELD FORCE' in a bold, modern sans-serif font.
- Two versions are available:
 - Dark Mode: White text (#FFFFFF) with blue icon
 - Light Mode: Dark gray text (#1a1a1a) with blue icon
- Layout is horizontal with icon on the left.
- Exported in PNG format with transparent background for versatile placement.

Color Palette

- Electric Blue: #0066ff (Primary accent color for icon and glow)
- White: #FFFFFF (Text for dark mode)
- Dark Gray: #1a1a1a (Text for light mode)
- Background: Always transparent for flexibility

Typography

- Font: Bold, modern sans-serif (e.g., Inter Bold, Montserrat, or similar)
- All caps 'FIELD FORCE'
- Use bold styling for high visibility in headers or branding

Technical Requirements

- Minimum dimensions: 2400px width x 600px height
- PNG format with transparent background
- Electric blue glow effect behind lightning bolt
- Must maintain legibility down to 32px height
